Category: 340mps

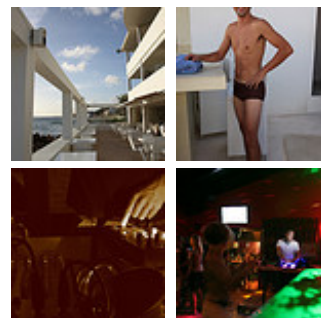

Very nice appearances of the crew on Logo.TV Bump! show [Season 4 - Episode 16: Curacao](#) (video linked here does not play outside the US).

Huge props to our friend Lee-Anne and her accomplices who spend their time scouring the international media to find little gems like these.

Below, you will see a glimpse of me spinning on the first clip (1:18). At the beginning of the second clip, John is dancing with Ivonne, Stephanie is laughing away with Gretchen and Mike & Jordi are chatting at the bar (unfortunately Jess was taking a dancing break).

Music starts at 9:30pm on Saturdays with live music at 10:30pm. It goes well into the night. Keep an eye on the [calendar section of the website](#) to see when 340mps will be playing there next.
